REEL: 003645 FRAME: 0145

SHORT FORM FIRST LIEN TRADEMARK SECURITY
 AGREEMENT (the "Agreement"), as of July 11 2007, among LN
 ACQUISITION CORP., the Subsidiary Parties listed on Schedule I hereto
 and JPMORGAN CHASE BANK, N.A., as Collateral Agent (the
 "Collateral Agent").

Reference is made to the First Lien U.S. Guarantee and Collateral Agreement dated as of July 11, 2007 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among LN Acquisition Corp., a Delaware corporation (the "Borrower"), Lincoln Holdings Enterprises, Inc. ("Holdings"), the Subsidiaries of the Borrower identified therein and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower and to Lincoln GmbH, a corporation organized under the laws of Germany (the "German Borrower"), subject to the terms and conditions set forth in the Credit Agreement dated as of July 11, 2007 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Holdings, the German Borrower, the Lenders party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent and as Collateral Agent and the other agents party thereto. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and each of the Borrower and the Subsidiary Parties are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, each Grantor's right, title or interest in or to any and all of the following assets and properties that are included in the Article 9 Collateral as defined in the Security Agreement now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, but excluding intent-to-use applications, prior to the filing of any statement of use with respect thereto or any similar offices in any State of the United States or any other country or any

political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "Trademarks");

all goodwill associated with or symbolized by the Trademarks; and

all assets, rights and interests that uniquely reflect or embody the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
